Who is American Youth Football (AYF)?

MISSION AND GOALS:

Mission: Promote the wholesome development of youth through their association with adult leaders in the sport of American Football and Cheer.

To provide a wholesome competitiveness within the scope of AYF's rules and regulations that will help to better protect the youth football player and cheerleader.

To teach the fundamentals of football and cheer and coordinate activities for participants.

To provide a responsible football and cheer program that focuses on what is in the best interests of the kids.

To influence good sportsmanship, teamwork, high moral and physical standards and the importance of scholarship, academic achievement, Giving Back.

To lend leagues and teams support while remaining NON-INTRUSIVE to local operations.

To make youth football ALL-INCLUSIVE by not excluding participants with restrictions based on weight or size, league financial abilities or other biases.

To provide programs for special needs, at-risk and anti-gang groups, and the international football community.

To be the most user-friendly youth sports organization in North America. Keep THE PAPERWORK to a MINIMUM!

AYF is a special brand of football: AYF is a community, not a corporation.

AYF was created to rebuild a culture of football and cheer **FOR THE KIDS.**

AYF PHILOSOPHY:

KEEP it Real ----- A youth league does NOT need red tape, they need Support and Service!

KEEP with the Times ----- Kids are BIGGER - Parents don't have extra time OR extra money!

KEEP it Simple ----- Volunteers are precious commodities!

Give Back ----- Our founders are 'football guys' who said: "Football gave to us. Let's give back."

WHAT OUR MEMBERS SAY:

"AYF is the #1 National Youth Football and Cheer program in the country, because it's senior leadership works to ensure fair play across the board. They treat teams from across the country like family. The competition is fierce and the environment feel like home".

Tony Keiling - 2 time AYF National Championship Coach

How AYF Serves its Members:

AYF invites all youth and community programs to join and participate, without restricting based on weight or sizes of participants, financial abilities, other affiliations, or any other biases.

Why teams, leagues and organizations join AMERICAN YOUTH FOOTBALL (AYF):

WHAT OUR MEMBERS SAY:

If you are looking for an excellent youth football and Cheer organization, I found AYF to be a refreshing organization that cares for our youths. The implementations of AYF four pillars (Training, Participation, Sportsmanship and Community) have attracted more kids, coaches and other football organization to join our league. These pillars have thought the kids and coaches that excellence is not an act, but habit. The things we do the most are the things we do the best. I love AYF.

AYF and Affordability

Participation costs are often a deterrent to the sport of football. AYF makes every effort to keep costs to a minimum to maintain and grow the game for our youth.

Findings

The AYF Demographic report reveals that:

- AYF has the same number of lower income areas as higher income areas proving that economics is not a determinant for league participation in AYF.
- AYF is more affordable to lower income level families than any other national youth football organization.
- The costs of participating in the AYF National Championships is much less than other national organizations.

Guiding Beliefs

AYF believes that local leagues DO NOT NEED to spend MORE money to be part of a National Organization.

- All AYF services are OPTIONAL and almost all services are LOWEST PRICE available and many are FREE.
- All sponsors/partner prices are the “LOWEST AVAILABLE” and all offer a GIVING BACK components.
- AYF partner Sadler Sports Insurance offers the most complete inclusive coverage at the best prices to AYF leagues, saving money and providing PRICELESS peace of mind.
- AYF offers reduced costs, affordable background checks
- Grants are available to support those programs most in ‘need’.
- Scholarships and matching funds are given to our Academic All-American Scholars.
- Open and direct contact with the National Staff, because communicating the cost options and best practices to our member leagues is OUR PRIORITY.

WHAT OUR MEMBERS SAY:

AYF gives Conferences hands on service while allowing Organizations the ability to operate independently. In addition, AYF/AYC provides one of the most competitive and well organized National Championships in the Country.
